

Kyabje Chime Rinpoche

CORNWALL TEACHINGS

Kyabje Chime Rinpoche was born in 1939 near Jyekundo, East Tibet and was educated in Benchen Monastery. He received the transmissions of Mahamudra from His Holiness the 16th Gyalwang Karmapa & the 9th Sangye Nyenpa Rinpoche, and Dzogchen from His Holiness Dilgo Khyentse Rinpoche. He was introduced to the essential nature of his own mind by Khenpo Gangshar.

Kyabje Chime Rinpoche was one of the first reincarnate lamas to come to the West, and has lived in England since 1965. He worked for 16 years as the curator of the Tibetan Language Collection at the British Library in London. Through his profound understanding of modern life Rinpoche conveys in teachings the complete spectrum of Buddhism in a direct, poignant, and humorous, yet vivid style.
